

**One Company. One Call.**

**Our Top 10 Reasons To  
Choose HB Energy**

1. We continually strive to deliver top notch customer service and high value products and services.
2. We show our appreciation for your business with a generous customer reward program.
3. Our wide array of in-house products and services allows us to find the best solution for your unique situation.
4. For your benefit and ours, we are fully licensed, insured, and compliant with all state & federal regulations.
5. We stand behind all of our products and services, the job is not done until our customer is satisfied.
6. We don't take short cuts or cut costs by using inferior materials.
7. We employ your friends and neighbors. Your patronage with HB Energy, a locally owned company, helps strengthen our local communities.
8. Everyone at HB Energy is friendly, knowledgeable, and professional.
9. We offer a wide variety of options so you can maximize the value of your project within your own budget.
10. We offer 24 hour emergency service all year.

***Customer Rewards Program:***

To thank our customers for their continued loyalty we created a customer rewards program. Earn HB Reward Bucks simply by doing business with us. Upon final completion and payment of a project, big or small, 5% of the total cost will be added to your customer reward fund in the form of HB Bucks. HB Bucks can be used for the future purchase of any HB product or service. Every delivered gallon of fuel oil or propane will earn 2 cents for your reward fund, and every ton of wood pellets purchased will earn 2 dollars for your reward fund. Another great feature of our reward program is that HB Bucks can be transferred to another customer. For instance, you could use your HB Bucks to help a family member pay for oil, or a friend pay for a pellet stove, or a septic tank pumping etc. You can also show your support for a local charity or religious organization by donating some or all of your HB Bucks for their benefit! To learn more about our customer Rewards Program call our office at 802-885-2300. We look forward to working with you.

As the saying goes, if the only tool you have is a hammer, the whole world looks like a nail. We pride ourselves on the unparalleled variety of professional products and services we offer under one roof. This variety of talents allows us to work with each customer to choose the best package solution for their individual situation. Our ultimate goal is simple: to create more satisfied customers every day.

Offering Complete Residential & Commercial Fuel Delivery, Plumbing, Heating, Electrical, Air Conditioning, Wood, Wood Pellet, Solar, Portable Restroom, and Septic Services.
